# REQUEST FOR PARTNERS

HOLISTIC SCHOOL DEVELOPMENT PROGRAM

## Project focus

Education is a critical driver of personal and societal development. However, many schools in rural areas face significant infrastructure challenges that impede the delivery of quality education. This proposal outlines an integrated approach to developing the educational and infrastructural capacity of the Govt. Boys Higher Secondary School, Sayalkudi, Ramanathapuram District.

## Location

Govt. Boys Higher Secondary School,  
Sayalkudi, Ramanthapuram

**Coordinates: 9°10'01.5"N 78°26'38.0"E**

## About the Problem

The Government Boys Higher Secondary School in Sayalkudi serves as an educational hub for students from over 36+ village panchayats, it is a vital lifeline for hundreds of young learners. With 483 boys currently enrolled, the school plays a pivotal role in the education and development of adolescent boys in the region. However, the school faces infrastructural limitations that impact learning quality, teacher effectiveness, and student morale.

**School Playground**

**Classroom**

## Issues Faced

Inadequate sanitation facilities

Insufficient classrooms

Lack of access to technology and STEM education

Absence of sports and physical development infrastructure

# Proposed Interventions

## Playground Renovation & Sports Material

Promotes student well-being, physical activity, and inclusive play spaces.

## Toilet Construction – Boys

Enhances hygiene and privacy for students with a water-efficient sanitation system

## Table Benches for Teachers

Supports better teaching conditions & enables efficient delivery of curriculum

## Classroom Painting

Improves learning atmosphere and aesthetics, creating a welcoming environment.

# Proposed Interventions

## Smart Classroom

Promotes digital equity, interactive learning & improves teaching delivery.

## STEM Lab

Encourages science learning, critical thinking, and problem-solving skills.

# Expected Outcomes

- Better hygiene and health conditions for students.
- Enhanced academic performance due to improved learning environments.
- Increased motivation and engagement through educational murals.
- Enhanced sports facilities supporting physical development.
- Better preparation for real-world challenges through life skill education.
- Efficient school management.

## Why Thuvakkam?

- ✓ End-to-end project design & execution
- ✓ CSR Utilization certificates & other mandatory compliances
- ✓ Government & community collaboration
- ✓ Impact reports
- ✓ Branding on-site & social media
- ✓ Media visibility & recognition
